7. Discussion 7.1 Monster Mash	<ul style="list-style-type: none"> - It was fantastic, the volunteers were amazing - Haunted house was great - Selling tickets for concession was congested due to people not sure what was the line up because of the Mad Science - Maybe next year move the location closer to the main door to avoid confusion and congestion - A little frustrating to those people selling the tickets due to running out of hotdogs - Suggested sending a survey to everyone who was involved volunteers and students - Next year adults need to be present in the haunted house or adult supervisor - More games to avoid big lineups in the gym. - More decorations (Jen Himschoot) - Encourage parents to preorder using the Google form.
