Open Floor:

Sara W. disappointed in response about not funding basketball jersey's - perhaps a mentorship starting of outgoing athletes and future athletes working together to fundraise. Money can go through PSD for a donation specific to what they want and then they'll provide a charitable letter to go back to the donor and the money will go to its allocated location. Couple options for future fundraising. Jen suggested Blueberry perhaps start an Athletic committee like the high school for the parents that have kids playing sports.

Karlyn would like to spearhead the Drumheller trip for the Grade 4s next year - will follow up conversation with Rosanne and find a lead teacher

Next meeting April 7 at 6:30
